## ACCOMMODATION

### An icon of the Costa Brava

Mas de Torrent is much more than a setting; it is a destination where luxury is understood through silence, space and history. The hotel has 39 spacious suites, many with private pools, offering a haven of privacy and calm for the bride and groom and their guests. Well-being comes to life at MasSpa, a sanctuary of over 600 m<sup>2</sup> with a heated indoor pool, water circuit and beauty rituals, ideal for getting ready before the big day or pampering yourself after the celebration.

The experience is rounded off at El Mas, the hotel's main restaurant, where local cuisine is reinterpreted with sophistication against panoramic views of the Mediterranean.
